

Chair of Governors Welcome

On behalf of the Governors of Billingham Primary School, I would like to offer you a very warm welcome to our school website. I hope that you find the website informative and that it helps answer any questions you may have about our school, however if you require any further information please make contact with our Headteacher, Mr Richard Allen through the school reception.

I hope that the website gives you an insight in to just what a special place our school is for the community of Billingham and the surrounding villages. The School Governors are very proud to be part of that community and work hard to support the school staff to ensure that all our pupils can "Believe to Achieve, Empowering a Community of Hope and Aspiration".

On these pages of the school website, you can find out more information about the Governing Body and the work that we do.

I am currently a co-opted governor on the Board of Governors but was initially elected as a parent governor back in 2008, when my two daughters first joined the school. They have both now grown up, with one in her second year at University in York and the other in the Joint Sixth Form at Sleaford. I very much understand the value of parent partnership and would urge all parents/carers to work proactively with the school and support their work in developing your child(ren) to their full potential. I am passionate about improving the standard of education offered to all children and believe being a governor at the school is the correct platform for influencing positive change.

Best Wishes

Mr Stephen Atkinson

Chair of Governors
