

History:

This term will be all about **toys**. The children will be finding out about old and new toys and comparing them. They will think about the similarities and differences of different toys and think about what toys will be like in the future. They will also aim to answer the question: **Are ipads more fun than Grandma and Grandpa's toys?**

ICT:

The children will be exploring Purple Mash and looking at online safety.

Art:

In art the children will be learning about the artist Jonathan Queen and building on their colour mixing skills by creating secondary colours as well as learning how to create different shades and draw in proportion.

Music:

The children will identify pulse, pitch, and tempo. Then they will create a melody and play percussion instruments.

Vulcan Class

Autumn Term

Please contact Mrs McCaffrey if you have any questions or queries.

PSHE:

This term the children will look at Feelings and Emotions such as jealousy. They will also look at friendships and anti-bullying.

RE:

This term the children will try to answer the following questions:

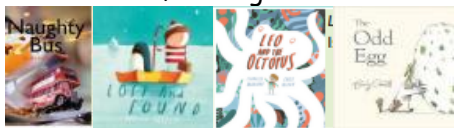

What do stories from religious traditions teach about God?
What can we learn from other stories?
How are stories and celebrations linked?

DT: This term the children will be looking at mechanisms and making a moving page for a picture book.

Literacy:

During Literacy this term the children will have a go at writing letters, diaries, labels, captions, simple descriptions and fact files.

The main books we will be focusing on will be:

Alongside Literacy the children will continue their daily Phonics, guided reading and handwriting sessions following the Little Wandle scheme.

Reading books will be changed on a **Monday**.

Maths:

The children will continue to follow White Rose Maths starting with Place Value within 10 - sorting, counting and representing objects. They will move on to addition and subtraction - part whole model, the addition symbol, bonds to 10 and addition and subtraction calculations. They will end the term focusing on Geometry: shape - recognising and naming 2D and 3D shapes and looking at patterns.

PE:

For PE this term the children will be learning the Fundamentals as well as sending and receiving activities. They will then move on to Gymnastics and yoga.
PE days will be **Monday** and **Wednesday** mornings - children will need to bring their PE kit to school on a **Monday** and will then bring it home on a Friday.

Science:

This term the children will be focusing on 'Everyday Materials.'

They will also look at the seasons creating Autumn/Winter pictures.
